

BAHAMA[®]

the **LARGE-SIZE**
parasol

Bahama

Founded in 1950 today Bahama designs and manufactures a great variety of high-quality large parasols. National and international customers alike trust in our industrial technology and accurate workmanship.

BAHAMA®

»Made in Germany« – our full range production facility manufactures nearly all parts in house. The combination of high-quality materials and the structural features allows Bahama to guarantee wind stability for its products, depending on the model, of up to 130 km/h.

And most importantly: we love customer service – from consulting to installation, from cleaning to winter storage and maintenance.

Just get to know us!

Easy

Easy is the high-quality Bahama entry-level model at a competitive price. Made in Germany. It is easy to transport which makes it ideal for alternating locations.

Event

The Event model is appealing to customers who wish to purchase a large-size parasol at a fair price and who don't have a need for any additional features. It opens and closes via our maintenance-free servo-mechanism.

Jumbrella & Jumbrella Wave

Jumbrella is our solution for everything. The product line convinces through its various sizes and combinations as well as its special additional features. The Jumbrella Wave model distinguishes itself by the curved shape of the textile cover.

	round	Ø 4.0	Ø 4.5	Ø 5.0	Ø 5.6	Ø 6.3	Ø 7.0

Magnum

Magnum is our premium model with the largest covered space ranging from 37 m² to 140 m² and many possibilities of additional features. All components of the structure are designed for the exposure to enormous loads. The stability at wind speeds of up to 130 km/h is guaranteed.

Largo

Largo is our technically most elaborate model. As it opens up like a tulip it stands out by its extraordinary as well as elegant shape. The principle of a parasol is literally „turned upside down.“ The stability at wind speeds of up to 130 km/h is guaranteed.
